PETITION TO THE COMMISSIONER UNDER 37 C.F.R. 1.181(a)

Sir:

Applicant respectfully requests the Notice of Abandonment dated 01/31/08 (included herewith) to be withdrawn because Applicant submitted a complete and timely response to the Notice Of Allowance dated 03/16/2007. A copy of the acknowledged Part B-Fee Transmittal sheet is included herewith as prima facie evidence of a proper and timely filed issue fee.

Applicant has included a print out of an email, which provides prima facie evidence that the examiner incorrectly checked box 5B (requested drawing changes) on the Notice of Allowance (please see attached email). Applicant verbally notified the examiner about the incorrectly checked box on at least one occasion; November 19, 2007. Applicant explained to the examiner that no drawing changes were necessary because the claims were amended on the previous amendment, which overcame the drawing objections.

On 2/21/2008, both the examiner and the examiner's supervisor confirmed and acknowledged that no drawing changes were necessary with the payment of the issue fee. The examiner's supervisor, Mr. Peter Poon, informed applicant that a petition must be filed to forward the application to the publication department. Therefore, applicant respectfully requests the above-mentioned Notice of Abandonment be withdrawn and the application forwarded to the publication department for issuance into a patent. Please contact the undersigned attorney of record if you have any questions.

Respectfully submitted,

By

Subject: Problem with 10/728,430

I have a problem with this application. I allowed this case on 9/6/07, but in the notice of allowance I indicated there were problems with the drawings. There actually was not a problem with the drawings and I should not have checked the corrected drawings needed box on the notice of allowability. Applicant's amendment filed on 6/14/07 had fixed the drawing problem. On 1/31/08, the publications branch abandoned the application because the applicant failed to correct the drawings within the prescribed period.

The case was only abandoned because of my mistake. My question is how do I fix this problem?

Willie
